

## Chamber Airport Committee Seeks Help Of County

Proposed \$196,000 Purse Must Be Matched By Local Agencies

Members of the Aviation Committee from the Truckee Chamber of Commerce are scheduled to meet with the Nevada County Board of Supervisors to urge that body to be sponsor for the proposed Truckee airport which has been approved by the Civil Aeronautics Authority and included in the post war building program.

The sum of \$196,000 has been budgeted by the federal government for the local project but this amount must be matched by state or county funds to become available if and when the national program is adopted.

The present plans call for the location of the Truckee airport on the J. E. Joerg property southeast of Truckee on the Truckee-Brockway cutoff to Lake Tahoe. The land was leased several months ago by J. Parmentier of San Mateo who forfeited his option on the first of April and notified the Truckee Chamber of his action, urging them to continue as public sponsors were eligible for federal and state aid not available to private owners.

It is understood that the federal funds for the airport projects scattered throughout the nation will be available after July 1. The local committee comprising H. G. Loehr, W. M. Englehart, Jr., Frank L. Titus, Donald Hansen, with others to be added later, will ask the supervisors to act as sponsors for the project here so that other available money may be forthcoming when the time for construction arrives.

The expenditure has been approved by the House and now awaits approval in the Senate.

## SEVEN HURT FRIDAY AS ARMY TRUCK HITS FRESNO CAR ON HILL

Seven people suffered injuries last Friday when a car driven by Froylan Alvarez, 39, Fresno, was struck by an army truck driven by Pvt. Michael J. Petrino of the Stockton Air Base about half way down Donner grade. The Fresno car after being hit plunged 100 feet into the rocks below the grade.

Most seriously injured was Mrs. Paula Espana, 68, of Fresno, who suffered a compound fracture of her left leg. She was taken to the Washoe General Hospital in a serious condition.

William B. Carson, of the army personnel, suffered a fracture of one elbow and Petrino had lesser injuries. The six occupants of the Alvarez machine suffered minor injuries.

State Patrolman H. B. Fowler cited Petrino for reckless driving.

## Easter Party Enjoyed At Eastern Star Meet Here

Truckee Chapter No. 116, OES, was royally entertained at a pre-Easter party on Tuesday evening. Edith Deaton, Tilza Campbell, Belle White and Dolly Brunk planned the affair. V. L. Deaton did the art work for the place cards which were appropriately decorated.

Lyla Loehr and Dolly Brunk favored with musical selections and all joined in singing popular songs. Delicious refreshments were served.

## Dr. Bernard Treats Man Hurt in Wreck at Rainbow

Charles Messner, 47, San Anselmo, suffered minor injuries and was treated by Dr. J. H. Bernard last week after a car driven by James G. Osborn, 58, San Francisco, ran off the highway a mile west of Rainbow and struck a rock bank.

## Junior Skiers Plan Entry In Disney Trophy Races

Frank L. Titus, tournament director of the Truckee Outing Club, today announced that the club will have a team of at least three in the Disney Trophy ski race at Sugar Bowl on Easter. Allen Brunk, Charlie Cozzi and Jack Townsend will enter the meet which is limited to skiers under 10 years of age. A race for junior skiers between 10 and 16 years will also be held.

The meet will start at 10 AM and any youngsters wishing to enter should be on hand at that time. Charles Brunk has offered to furnish transportation with his bus if enough people contact him by Saturday morning indicating their desire to attend.

### Local Visitor—

Arthur Helling of Grass Valley was a visitor in Truckee and Hobart Mills yesterday.

### Business Trip—

A. Polyanich and Keith Weeden were business visitors at Sacramento on Wednesday.

## Outdoorsmen To Hold Vote Meet Here April 27th

### Pictures and Refreshments To Follow Election Of Officers

Officers of the Truckee Outdoor Sportsmen will be elected at the annual organization meeting of that group to be held at Capitol Hall in Truckee Saturday, April 27, it has been announced by A. G. Bradshaw, president of the club.

All members and others interested in the work of the Outdoor Sportsmen are invited to attend and enjoy the motion pictures and refreshments which will follow the business session.

The present officers, who are understood to be candidates if the members desire them to carry on the work started are, besides Bradshaw, N. S. McCarty, vice president; R. N. Little, secretary-treasurer; and four directors whose terms expire, Steven Applein, Oscar Schumacher, Humbert Chardella and Elden Tonini. Five directors will remain in office.

Ralph Graham and Howard Hendrix are on the committee arranging the meeting.

With the approach of the fishing season in this district it is the desire of the club to have a big turnout so plans for the future program can be made. Last year the club sponsored the raising of 50,000 rainbow trout and it is hoped this year the capacity of the rearing ponds can be increased and that supplemental tanks can be secured to bring the plant up to above normal for the coming fall.

## RED CROSS CHAPTER TOPS MARK AS THIS AREA LAGS BY \$200

The Nevada City Chapter of the American Red Cross exceeded its \$5,000 quota by more than \$200, according to a report by Chairman Carl Tobiasen. All workers were urged by Tobiasen to turn in all cash on hand as soon as convenient so that the drive can be officially closed.

Truckee, according to Mrs. T. T. Buell, local chairman, fell between \$200 and \$300 short of its \$1200 quota.

In closing the drive, Tobiasen expressed his appreciation for the splendid cooperation given by workers and contributors during the drive.

## Grass Valleys Purchase Bridge Street Property

Foster W. Wilson and C. W. Pruitt, recently of Grass Valley, have purchased the C. E. Smith property on Bridge Street between High Street and Commercial Row and are preparing to open a second-hand merchandise store in the quarters.

Wilson is widely known in this district, having been raised at Hobart Mills. For the past four years he has been in the armed forces and only recently returned from Europe. The two men see a bright future for this region and are pleased to be starting in business here.

Wilson is making his home in the quarters recently purchased.

## Coffee Shop on Summit Sold to Soda Springs Pair

Sale of the V Coffee Shop on Donner Summit to Lois Woods and Margot Nordstrom both of Soda Springs was announced this week by Lloyd Shelton. The sale was made through R. N. Little, Truckee realtor. The price was not announced.

## Major Campbell Heads Gulf Depot in South

Major Colin C. Campbell of Truckee and a veteran of both World Wars is now chief of the administrative division of the Gulf Chemical Warfare depot at Huntsville, Ala.

Campbell served as port chemical officer at Portland, Ore., and as chief of supply status section at the depot at Indianapolis.

An electrical engineer, he is a graduate of the University of California. He entered the army for World War II June 17, 1941.

### Return—

Mr. and Mrs. A. P. Leitch returned last week end from a vacation trip to San Francisco and Sacramento.

## Sierra Beams

By WALTER M. BARRETT

We believe that the drive to control cancer in the United States is one worthy of every possible bit of support. Through contributions, much work is being done and slowly but surely scientists are putting a taboo on one of the world's worst diseases. No amount could be too large to aid in this movement. However, we are concerned as to why the government through its vast taxing program and its apparent unlimited resources, does not do something about the situation. We can raise billions to fight a war and other billions to loan to foreign powers without consulting the taxpayer, but it appears that not one cent is available to fight cancer, tuberculosis and other horrible diseases which kill more people than wars. It seems too bad that such projects must wait on dimes and dollars contributed by the same people who finance the vast governmental spending program.

A week from today—Thursday, April 25—is the sale day to register for the primary election. There are still scores of citizens in this vicinity who have not prepared themselves to exercise the great American privilege of voting. Register now and vote June 4 or don't say anything against anyone elected. Your vote counts just as much as the ones which elect your officials. Register before next Thursday.

On Saturday, April 27, officers of the Truckee Outdoor Sportsmen will be elected or—as we sincerely hope—reelected. The present corps of officers has done a splendid job. They have created a really worthwhile working organization designed simply and solely for the purpose of aiding the fishing and hunting development in the district. They have not sought reward other than fulfilling the task they set out to do. We believe they should have the unanimous support of the whole region and hope that a full meeting will greet them and return them to office.

## Hawaiian Police Chief Is Speaker at Rotary Meet

Conditions in the Hawaiian Islands since the end of the war were told at the Monday meeting of the Rotary Club by George Larsen, Rotarian and police chief from Hilo, T.H. He and his wife are guests at Theodore Schleuter's at Lake Tahoe vacationing. Other guests were Pete Land, Sierraville; Phil Scadden and Ward Sheldon of Nevada City; Roland Galloway, Ashton Codd and Eddy Sather, all of Soda Springs. Art Couillard, president and Roy Feathers was program chairman.

Planning to accompany Jack Wolert, delegate, to the district conference in Sacramento next week are Couillard, Tom Buell and Leif Nielsen.

Due to alterations at the Capitol Cafe, the Rotary will meet at Moro's for next Monday night's meeting.

## Truckee Man Is Robbed While Sleeping at Home

Andrea Armati reported to Constable N. F. Dolley yesterday morning that during the night his home was entered and that he was robbed of \$170 and other personal papers which were in his trousers.

Armati said that when he awoke he discovered the lock on the front door had been forced open and that his clothing had been molested. When he investigated he found he had been robbed.

Dolley is making an investigation which may lead to the arrest of the culprit.

## Sharon Pace Marks 9th Birthday At Party Here

A dinner and visit to the Donner Theater were enjoyed by Sharon Pace and her guests when they were entertained by Mr. and Mrs. Tony Pace on Sharon's ninth birthday on April 10. Those sharing the evening were Mary Ann Tonini, Eleanor Wilson, Ruth Osborn, Shari and Ginger Reynolds, and Lavonne Boyer.

### At Woodland—

Mrs. Angelo Besio is visiting Mr. and Mrs. C. P. Goode in Woodland.

## Road Rights Are Granted By Railway

### Improvements Are Planned By Supervisor On Streets Here

Through close cooperation with the officials of the Southern Pacific Company, Supervisor H. G. Loehr this week announced that he had secured a 40-foot right of way on River Street from the Standard Oil Company plant east to the end of the street.

He also was given a right of way of 30 feet across the Bridge Street crossing. This acquisition will provide for further improvement of the street and crossing, giving the county the desired rights of way which have been lacking for many years.

While the matter has not been made official, it is expected that the action will be approved by the board of supervisors at their May meeting. Loehr expressed his appreciation for the assistance given by the railroad in the granting of the rights of way.

## \$17,500 IS EARMARKED FOR STATE BUILDING HERE SAYS SEAWELL

State Senator Jerrold L. Seawell, a candidate for the state board of equalization from this district, reported this week that \$17,500 has been tentatively appropriated for a new Highway Patrol office in Truckee. As a member of the State Public Works Board, Seawell said that he was recommending this appropriation.

The work when finally approved will be done under the state's post-war construction program.

Thus far no definite plans have been made although it is virtually assured that it will be carried out as scheduled.

## PURSE SNATCHER IS GETS 90 DAYS IN JAIL FROM LOCAL JUSTICE

Leland George Hicks, 43, of Napa who had been employed by the Southern Pacific as a laborer, was sentenced to serve 90 days in the county jail when appeared before Justice of the Peace C. E. Smith Tuesday and pleaded guilty to a charge of petit theft.

The charge resulted from Hicks allegedly stealing a purse containing \$68 in cash, jewelry and other personal items from Mrs. Wesley E. Chessman of San Francisco who was in one of the cafes here with her husband, Lt. Chessman.

Hicks admitted taking the purse which he hid under a rock near the Truckee River. The purse was later recovered by Bill Waters and returned to the owner. Hicks was arrested by Constable N. F. Dolley and Deputy Roy Waters.

## Mercury Rises to 71 Here As Snow Is Disappearing

Summer has come to the High Sierra. The temperature Tuesday went to a new high for the year when it touched 71 in the shade. A bright summer sun has dissipated virtually all of the snow east of the summit, although snow sports are still being enjoyed on the west slope.

## Snider To Quincy in Study Of Forest Fire Controls

H. I. Snider went to Quincy this week with all other district rangers and part of the forest supervisor's staff of several northern California National Forests to attend a meeting. The session was to study and perfect fire weather danger rating methods to more efficiently apply them for use in controlling forest fires.

## Tahoe Summer Resident Will Wed Woodland Girl

The betrothal of Miss Phyllis Scarlett and Douglas McDonald of Woodland was announced at an informal dinner party held recently at the Hotel Senator in Sacramento. McDonald, discharged Marine captain, is the son of Superior Judge and Mrs. C. C. McDonald of Woodland. The family has a summer home at Lake Tahoe.

## Local Churches Plan Services Easter Sunday

### San Francisco Priest Is Due For Catholic Rites On Sunday

Both Truckee churches will hold special Easter services Sunday, according to the respective pastors of the two parishes.

At the Assumption Catholic Church Easter will be observed with Mass at 9:30 AM. The Rev. W. A. Austin, S.J., from the University of San Francisco, will conduct the services in the absence of the pastor, the Rev. Anthony J. Bosch, who will be officiating at the cathedral in Sacramento.

Special music is being prepared under the direction of Mrs. Arthur Kehm. Confessions will be heard before the Mass. There will be no services during Holy Week. Mass will also be said at Beacon Hill Lodge in Soda Springs at 8 AM.

Rev. Marvin Quattlebaum of the Community Methodist Church announces that Easter observance will start at Sunday School at 10 AM and will be climaxed by the Sacrament of the Lord's Supper during morning worship.

A program of readings and songs has been arranged by the faculty of the Sunday School. The teachers in charge include Mesdames Elizabeth McKay, E. C. Towler, George Grigg, George Kamp and Quattlebaum. Mrs. William Englehart, Jr., is in charge of special music for the school.

Mrs. Kamp is in charge of the music and choir for the regular service at 11 AM.

The pastors of both churches extend cordial invitations to the public to join in the services.

## PERMITS NECESSARY FOR FIRES IN AREA FROM NOW TO DEC. 1

During the period of April 15 through December 1 it is necessary to obtain a written permit from the state forester, or his duly authorized agent, prior to burning any brush, stumps, logs, fallen timber, fallows, slash, or grass, brush or forest covered land, or any other inflammable material, or blast with dynamite, powder or other explosives, or set off fireworks of any kind in forest, fallows, grass or brush covered land either on his own land or the property of another.

State Ranger William Sharp of the state division of forestry and Fire Control Officer Robert Dasmann of the Tahoe National Forest issued a joint plea to the public "to do their burning now while the grasses and weeds are still green, that later on as the fire hazard increases it will be necessary to impose rigid restrictive measures on burning permits, and, in some cases, they cannot be issued until after the fall rains."

Burning within Nevada county on lands lying outside the National Forest comes under the jurisdiction of Sharp in Nevada City. For burning permits within the Tahoe National Forest the following district rangers should be contacted:

For Western Nevada County: Warren Barnes at Nevada City.

For Eastern Nevada County: Hobart Snider, Truckee.

For Placer County: Joseph Ely, Foresthill, and Max Williamson, Big Bend.

For Yuba County: Norman Dole at Camptonville.

For Western Sierra County: Frank Delaney at Downieville.

For Eastern Sierra County: Pete Land at Sierraville.

## Hanger Shortage Acute As in Wartime, Quilici

Nat Quilici of Fontana's Laundry reports that the clothes hanger situation is as bad if not worse than during the war and that unless relief is given, they will soon be out of hangers for making deliveries. He asks that all customers leave their hangers with the bundles to be picked up by the driver.

### Move to Oregon—

Mr. and Mrs. Frank Nease, formerly of this region, have moved from Hayward to Portland, Oregon.

### From Santa Rosa—

Miss Carol Brock has been a visitor from Santa Rosa this week.

## Green Sells Lake Tahoe Resort To Bay Area Group

Man Who Helped Build Tavern in 1901 Sells For \$400,000

TAHOE CITY—Tahoe Tavern on Lake Tahoe was sold April 8 by Matt Green to Laurence Curtola and Louis Navone, Oakland restaurant owners. The price was said to be \$400,000 and there are no mortgages or indebtedness.

The purchase included the tavern, the casino in which are housed the curio store, barber shop, beauty parlors, two cocktail lounges, moving picture house, bowling alleys, the pleasure pier, 500 acres of land and 2200 feet of lake frontage, also the golf links, saddle horses, motor equipment and all furnishings.

A corporation, Tahoe Tavern, Inc., has been formed to operate the property. Glenn J. Greene who has managed the property for the past three years will continue to serve as resident manager. Mrs. Isabel Williams Felt will continue as assistant manager and George LaSeur as maitre d'hôtel. In fact, the regular organization which has catered to the comfort of Tavern patrons for many years is returning for the 1946 season which opens June 19th.

Tahoe Tavern was built in 1901. Matt Green arrived at Lake Tahoe in July of that year and as a young man helped put in the foundations, receiving the munificent sum of \$2.25 a day out of which he paid 75 cents a day for board. Green continued to work at Lake Tahoe and has been closely identified with its development for nearly half a century. As a contractor he built many of the beautiful summer homes around Tahoe. He acquired considerable lake property and was active in the operation of many Lake Tahoe enterprises.

In 1936 Green found himself the principal stockholder in the Tavern. As president of the owning corporation, Lake Tahoe Development Co., Inc., he operated the Tavern for the past ten years. In 1943 he acquired the balance of the stock and with his wife, Theil A. Green, became the sole owner.

When interviewed last week, Green said, "It has been 45 years since I arrived at Lake Tahoe. Today I do not owe a cent but with my gray hairs I owe it to Mrs. Green and myself to retire from active business and let the younger generation take over. So I have sold the Tavern to younger men who have the vision to grasp its great possibilities. I understand that the new owners plan not only extensive improvements but are prepared to finance developments which will make Tahoe Tavern one of America's great resort properties."

## Fish, Game Law Changes Are Explained to Lions

Game Warden Bill LaMarr gave a resume of the fish and game laws for this district and reviewed the new regulatory measures imposed by the commission in an interesting address before the Lions Club last night. He answered numerous questions asked by the members in the timely discussion.

E. L. Loynd was program chairman and C. B. White presided. Guests included Del Powell and Bob Jefford of Grass Valley, Cliff Usher of San Francisco and Angelo Besio of Truckee.

There will be no meeting next Wednesday as the club will visit the Sparks club Thursday evening. Those with transportation and those desiring transportation are asked to contact Don Hansen, chairman of the committee making arrangements for the trip, as soon as possible.

## Woman Veteran Is Home Again After Wave Service

Miss Azad C. Joseph, storekeeper third class, who was discharged from the Waves last week at Balboa Park separation center, has returned to her home in Truckee. Miss Joseph is the daughter of R. Joseph and has served for the past two years with the Waves in San Francisco.

She is the first woman to become a member of Truckee Post No. 439, American Legion.

## Truckee Elks Transferred From Reno to Nevada City

George Carter, trustee of Nevada City Lodge of Elks No. 518, announced that the Truckee members no longer are associated with the Reno lodge but are now part of the Nevada City district. The change, he said, was made at a recent district meeting.

### Campaigning—

Mr. and Mrs. James Snell of Grass Valley were Truckee visitors yesterday. Snell is a candidate for the superior judgeship and was meeting Truckee voters during his visit.

### Official Visitor—

Sheriff Carl J. Tobiasen was a business visitor in Truckee yesterday.

## Plumas Foresters War On Porcupine Pests

RENO—While some communities in the nation were fighting rats, rangers of the Plumas National Forest were having their own troubles with a war against porcupines.

Because an infestation of these animals is held responsible for irreparable damage to young pine growth, a two-man detail has been dispatched with no other duties than to hunt down and kill porcupines.

Last reports credited the two with a bag of 2500, killed with rifles and poisoned salt blocks. The latter are deposited in trees, out of the reach of other animals, and in rock dens known to be used by porcupines.

### QUOTES OF THE WEEK

"I have a natural filial regard for my mother."—Gloria Vanderbilt Stokowski, after cutting off mama's \$21,000 annual allowance.

"I'm afraid I've outgrown the bobby-sox state."—Lena Pearl Lindsey, 14, of Memphis, Tenn., granted a divorce.

"I'm a marbles man myself!"—Rep. Manasco, of Alabama, on President Truman's proposed horseshoe court at White House.

"Price increases no more cause inflation than wet streets cause rain."—Pres. J. Howard Pew, Sun Oil Co.

"Price de-control must become effective in a simple, automatic way if we are ever to arrive at free markets."—Lawrence Fertig, economist.

"I've lost my pucker."—Elnathan Daniels, Stamford, Conn., on his inability to play the trombone at 92.

## Capitol Week

by DOUGLAS JAQUES  
United Press Staff Correspondent

SACRAMENTO, April 18 —(UP)—The first faint clink of the clashing of political daggers was heard in the capitol this week as Gov. Earl Warren and Attorney General Robert W. Kenny took somewhat oblique swipes at each other.

Kenny, in telling newsmen that he is working on a full Democratic ticket, said, "If I am elected governor I do not want to and myself in the same helpless position as Governor Warren."

In an earlier press conference of his own, the governor had been at some pains to defend his position.

He said charges by the northern California Political Action Committee—a pro-Kenny group—that he has allowed progressive measures to die in the legislature were the action of "a pressure group intent on discrediting my administration."

The governor added that the "public has its own ways of determining the sincerity of people who have been

in public service for many years."

But Kenny argued that Warren's sincerity was not the point. He said "a progressive program of legislation cannot be worked through a Republican controlled legislature."

And as both candidates for governor moored about the state taking their arguments to the people where they found them, these things happened under the capitol dome:

James G. Bryant, chief of the division of benefit payments, announced on returning from Washington, D.C., there is "almost no chance" of disability insurance payments being made in California this year.

The state department of employment has been trying to get the federal social security board to transfer \$108,000,000 which represents employment one per cent contributions for the last two years, to the state now so that payments can begin immediately. But Bryant said such a transfer will almost certainly require congressional action and its resultant delay.

Secretary of State Frank M. Jordan reported that all records for new corporation filings were smashed during March when 936 firms were authorized to do business. The March figure brought the quarterly figure to 2,674 filings, which is 545 more corporate filings than for the entire year of 1942 and 571 more than for all of 1943.

## The History of Coffee

The fragrant cup of coffee which makes us civil every morning and renews us so often during the day links many nations in a long and romantic history. Just when it first appeared as a beverage no one can say exactly. But that it was an Arabian discovery seems very likely in view of the fact that coffee grew wild in that part of the world before the ninth century after Christ, and fanciful Arabian nights tales have been handed down about the first brew.

The most popular legend concerns Kaldi, an Arabian goatherd, whose dull life on the hillside made him a gloomy Joe indeed. But he picked and ate some of the berries his goats were fond of nibbling, because he noticed that after eating these berries, the goats became gay creatures. Kaldi himself became a new man. Thereafter coffee berries were indispensable to his diet, and so carefree and lively did he become that he often joined his goats in a merry dance.

A monk, to whom Kaldi confided his experiences, prepared a drink from the beans and served it to the members of his order. They found the beverage sustained their energy and helped them to pray and meditate longer, so they adopted the drink and cultivated the plant.

Gradually the popularity of the beverage spread to Turkey, where, in 1554, the first public coffee house was established. It was introduced to the Venetians in 1615, the French

in 1644, the English and Viennese in 1650, and it was brought to North America in 1668. But promptly the power of the beverage to stimulate clear thinking and plain talking converted the popular coffee houses into discussion clubs. And political debate that exploded into dissension, direct action and resistance made coffee houses the targets of tyrants like Charles II of England, who termed them seminaries of sedition.

But, according to Disraeli, London and Paris coffee houses of the seventeenth and eighteenth centuries held the mirror to "the manners, the morals and the politics of a people."

Here in colonial United States, too, the coffee house became the meeting house of the town fathers, and after a time changed from purely social centers to focal points of merchant trade and political discussion. Daniel Webster called Boston's Green Dragon Coffee House "the headquarters of the American Revolution."

The Dutch took the coffee plant to South America back around 1718, with a result that every sixth grader knows. Today's coffee plantations in Pan-America produce three-fourths of the world's coffee. And because we are the world's greatest coffee drinkers, of course we're the biggest customers for the Pan-American yield. All previous invoices were topped in 1945, when the United States imported 20,279,690 bags of coffee, each containing 132 pounds!

### Penn R. R. Growth

In 1948, the Pennsylvania Railroad Company inaugurated service by ordering two passenger cars, one baggage car and two locomotives. Today the railroad owns 4,659 locomotives, 487 passenger cars, 327 boats, 2,338,959 freight cars and 1,198 work equipment cars.

On January 22, it placed orders for 214 new passenger cars. The requisition will cost \$21,000,000 and deliveries will begin late this year.

The first successful balloon flight in England took place on Sept. 15, 1784, when Vincent Lunardi, a young Italian, demonstrated the success of the balloon before a great multitude in London, including the Prince of Wales.

was selected by the governor as director of the new department of veterans affairs.

## North Tahoe News . . .

by MADELINE C. LERANI

On the afternoon of Easter Sunday from 2 to 5 PM the Truckee-Tahoe Lumber Company will hold open house in its new offices just completed these week in Tahoe City. Mrs. Charles Cross, wife of the manager, will act as hostess and tea and refreshments will be served buffet style. The main store room has been enlarged to double its former capacity and a new floor furnace was installed in the building last week and many improvements added to the sheds and yard.

Florence and Lillian Vernon were hostesses in their home on Lake View Drive on Friday evening to 20 friends and relatives at a dinner and dance. The dance was held in the large living room of the home, from which most of the furniture was removed and music was furnished by the radio and record player. Dinner guests, besides the family, were Mrs. F. E. Walker and Mrs. Rose Boylars, and other guests of the evening were Mr. and Mrs. Glenn Miller, Mr. and Mrs. Oscar Quam, Mr. and Mrs. Bob Huston, Mr. and Mrs. Arthur Redner, Mr. and Mrs. Gene Walker, Mr. and Mrs. C. W. Vernon, Jerry Redner and Jim Duffy. Buffet refreshments were served at a late hour.

William Sholand was taken seriously ill at his home here Thursday and was hurried to St. Mary's hospital in Reno where it was discovered he was suffering from acute appendicitis. He underwent an operation there on Friday and a report from the hospital on Saturday informed his wife here that his condition was satisfactory.

Mr. and Mrs. P. M. Burroughs of Silver Sands vicinity are entertaining this week in their home Mrs. Bur-

rough's parents, Mr. and Mrs. J. M. Johnson of Atwater, Calif. The Johnsons expect to return to their San Joaquin Valley home late this week but will return to Tahoe for a mid-summer vacation.

Mr. and Mrs. James Goodhue last week leased the beat repair shops and garage at the Obexer place at Homewood this year. They expect to move into a cottage there and open by the first of May.

Among noteworthy visitors to Tahoe City during the past week were Mr. and Mrs. Martin Arrouge of Hollywood, Mrs. Arrouge is the well known motion picture actress, Norma Shearer. The couple visited at the A. M. Anderson home while here.

A 34 foot sail boat was unloaded at Tahoe City this week for Jerry Redner, recently discharged veteran and son of Mr. and Mrs. Arthur Redner of Tahoe Park. The ship is now in the process of being assembled and made ship-shape near the beach at Lake Forest. Redner plans to launch it about May 1.

Mrs. V. O. Peterson of Tahoe Vista spent the past weekend in Sacramento.

Mr. and Mrs. Fred Barton of Brockway recently visited friends and relatives in the bay area.

Mary Jane Sawtell of Colusa arrived here Saturday for the summer. Miss Sawtell manages the Tahoe Alps Court in Kings Beach.

Mr. and Mrs. Bob Eddy of Kings Beach spent Thursday in Oakland on a shopping tour.

Mrs. Dave Ashton and children of Kings Beach left Saturday for Pasadena where they will visit with friends for a week.

Bill Peterson of Tahoe Vista will

celebrate his 17th birthday on April 21st and plans to enter the U. S. Navy within the next week.

Mrs. Hazel Parmenter of Kings Beach is spending a week in Los Angeles with her daughter and son in law.

Mrs. J. J. Mandeville and children of Kings Beach are enjoying a week's visit in Berkeley with Mrs. Mandeville's aunt, Mrs. Ethel McClure.

Robert and Walter Potts of Berkeley visited on Thursday at the John Gallerani home in Kings Beach.

Mr. and Mrs. Paul DeCamp of Santa Cruz spent Saturday in Kings Beach. The DeCamps are former Kings Beach residents.

Darro "Rocky" Rockholm of Kings Beach narrowly escaped serious injury when the truck he was driving struck a soft shoulder in the road, causing the truck to overturn down an embankment. Rocky's brother Red, was following in his car and witnessed the accident. Rockholm was taken to a Reno hospital for a checkup. He suffered an eight inch gash on his right hand.

Mr. and Mrs. A. E. Brinkerhoff and son, Lieut. Col. W. A. Brinkerhoff and daughter, Sharon Lee, of Sparks visited their home in Kings Beach. Mrs. Brinkerhoff is owner of the Canary Cottage in Kings Beach.

Mr. and Mrs. John Gallerani of Kings Beach were hosts at a dinner party given at their home on Wednesday, April 10. Those attending included Mr. and Mrs. Robert Eddy, Mr. and Mrs. Mulford Miles, Mr. and Mrs. Fred Baker, Mr. and Mrs. David Ashton, Mr. and Mrs. Robert McCoy, Wallace Edwards and John Brown.

Brs. B. O'Brien of Kings Beach was a Saturday visitor in Auburn.

Ray Barton of Brockway visited his sister, Mrs. Galen Loehr, in Berkeley and also spent a few days in San Francisco.

Mulford Miles of Brockway announced his candidacy for the office of member of the board of trustees of the Kings Beach Elementary School on Monday.

Mrs. Fred Redinger of Kings Beach is enjoying a week's visit in Williams. Bonnie Colton and Mr. and Mrs. Lloyd Nelson and son of Reno were weekend visitors at the R. M. Colton home in Brockway.

A. J. Ketman, real estate man, returned to Cedar Flats from Palo Alto where he spent the winter.

Mr. and Mrs. Trwin Tucker of Hayward are at the A. E. Sorenson home in Tahoe Vista.

R. M. Colton was a visitor in Reno on Wednesday.

Joseph Haley is a guest at the D. C. Barnett home in Kings Beach. Movie stars James Stewart and

Gary Cooper and wife are guests at the Jim Stack home in Crystal Bay. Bob Munson of Stockton is having the Log Cabin tavern in Tahoe City moved to Crystal Bay.

Tommie Colton was six years old on April 10th, his brother, Roger, was 11 years old on April 13th. The two boys were honored at birthday party given in Sparks by their grandparents Mr. and Mrs. C. C. Walker.

Harry Raynor of Reno is the new butcher at Paine's Mercantile for the summer. He was formerly associated with Herb Muesell in Reno.

Smallpox vaccinations were given to 159 adults and children on April 10th at the Kings Beach Elementary School.

The City of Biggs in Butte County was incorporated June 26, 1903.

### IMPORTANT SKIING SESSION IS HELD IN TAHOE CENTER

TAHOE CITY— Fred Rost, second vice president of Tahoe Ski Club, presided at the directors' and regular meetings of the club in community hall Saturday night. Joe Duffee was extended a sincere vote of thanks by the club for putting the plumbing in condition gratis. Junior members were reminded of the Walt Disney trophy race on Easter Sunday at Sugar Bowl. Vic Cassidy of Auburn was a visitor and the next meeting date was set as April 26.

Mrs. Leon Dockham and Mrs. Waldo Gross prepared and served the delicious lunch to members and their guests at the conclusion of business.

At the end of the regular meeting Dr. L. W. Ruddy of Sacramento and his assistant, Dr. Renwick, called a closed meeting for directors of the California Ski Association. Present were John Wiley, secretary of the Sugar Bowl Club, and Jay Shontz, Floyd Carnell, Bill Becholdt and Eleanor Swanson.

It was regretted that Mr. and Mrs. Harry Camp of the forest service from Nevada City and Ralph Throop and William Curran of the Truckee Ranger station, who came with maps of the district as requested, had to leave before the end of the closed

### TWO TAHOE MEN ON SICK LIST DURING WEEK SAY REPORTS

TAHOE CITY— Two Tahoe men are under medical care for illness. Otis Hursey, caretaker for the Kaiser estate at Tahoe Pines, was taken to Permanente Hospital at Richmond last week where he is being treated for a heart disorder. He was reported as showing improvement Monday.

Bert Watson was taken to Truckee Monday by Constable Harry Johanson where Dr. J. H. Bernard is treating his legs for a painful ailment brought about by poor circulation. He has been in bed for more than a week and must remain there for some time. The many friends of the two patients wish them a speedy and complete recovery.

Sam Landisberg and his wife are now in and have opened their grocery and meat market at Sam's Market.

Mr. and Mrs. Victor Wikander of Oakland and a friend, Miss Grumwald, are enjoying a vacation at the St. Sure home on the lakeshore near the Tavern.

President Kay Starratt did not return but is expected home within a week or so.

Telephone Tahoe City 66J

### AMBULANCE SOUGHT FOR LAKE TAHOE AS FUND DRIVE STARTS

TAHOE CITY— On Monday the green light was given by Norman R. Mayfield, Tahoe City contractor, to publicize the drive which is being opened here this week for the purchase of an ambulance to be stationed at Tahoe City for use of the entire lake area. This has long been vitally needed by this mountain vacationland and the movement is meeting with extreme favor.

At a meeting of the Women's Club of Tahoe on April 4, presided over by President Eleanor Swanson, the group accepted unanimously sponsorship of the drive for funds by popular subscription.

On Monday last Supervisor Jack McFadden met with Tahoe residents at Community Hall. At that time he declared that if the people of Tahoe City would agree to deed a small section of land on Tahoe Common along the lakeshore, to the County of Placer, the supervisors would erect a building in which to house the Tahoe ambulance, fire truck and the snow plow.

Plans have not yet been completed for the structure but it is hoped a suitable site could be found where the ambulance and fire truck could be made readily accessible to the highway. A small first aid room will be incorporated into the first floor and the upstairs will be made into a sleeping room.

The Women's Club of Tahoe will sponsor a card party on the evening of April 23rd at community hall, the proceeds to go as one of the first donations to the \$2,000 goal set for the ambulance and equipment.

### Tahoe Girl Scouts Begin Meeting on Each Week

TAHOE CITY— Mrs. William Boorman, Girl Scout leader for Tahoe area, reports this week that the scouts are opening their hut in town this week and will prepare it for the summer's meetings, now held each Thursday. Hostesses at last week's meeting were Miss Lucille Haugen and Mary Haney.

Better attendance has been noted among the 15 members since Mrs. Boorman promised a prize to all attending without fail for six weeks straight.

Collette Morhain and Mary Haney are two new members.

The four Brownies of the Scouts are Christine Becholdt, Rosetta Bosen, Duane Pomin and Roxie Ross. Upon reaching the age of ten they will become intermediate scouts.

The group's present project is the collection of "white elephants" which will be used for a bazaar to be held later in the season at the hut.

Ten members are planning on attending the summer vacation camp this season but the camp has not yet been decided upon. Invitations have been received by the young ladies to attend Camp Chaparral in Marin county and the Reno Girl Scouts have invited them to Lake Nakopen, about 30 miles from Reno. The decision will be made as soon as out of town groups must register early to be assured reservations.

### New Man Employed At Tallac Fish Hatchery

Everett Robinson, who is employed by the state division of fish and game, has been transferred from the Snow Mountain Spawning Station on the headwaters of the Eel River to Tallac Hatchery at Lake Tahoe. His family will join him shortly from Nevada City.

The San Francisco Mint was 100 years old in 1943.

### COUNTY SUPERVISOR PLEDGES WORK ON ROADS IN LAKE AREA

TAHOE CITY— Supervisor Jack McFadden was a visitor at Tahoe on Wednesday last to confer with the residents of this district at a special meeting at Community Hall at 2:00 PM. He stated that all roads in his district here would be oiled and repaired and that an attempt would be made to establish enough bottom to the highways so that the snow plow would not damage the roadbed. He also agreed to try and secure a lighter plow for the Tahoe county roads as the present one is too heavy. A twin augur plow would do the work of the present four augurs quicker, easier and cheaper.

Norman Mayfield conducted the impromptu meeting.

At the conclusion of the discussion, McFadden joined the group which made its way to the Tahoe Lake School and was vaccinated for smallpox.

### Mrs. Schleuter, Guests Take First Dip in Lake

TAHOE CITY— Mrs. Theodore Schleuter braved the waters of the lake on Monday and enjoyed her first dip of the season. She was accompanied in swimming by Mr. and Mrs. A. R. Persson, newlyweds who were married Sunday in Reno, and who are guests at Schleuter's on their honeymoon.

Other guests at Schleuter's are Mr. and Mrs. George Larson and child of Hilo, T. H. Larson was born in Oakland and when four moved with his folks to Hawaii. For over 40 years he has lived in the islands and holds the position of chief of police. He arrived in California the day of the tidal wave on a freighter with his new 1946 Chrysler aboard. He plans to remain in the states for a two months vacation. He is a member of the Hilo Rotary Club and on Monday night was guest at the Truckee Club where he was invited to make a speech. They will remain at Tahoe for a week.

### Lake Level

The lake level on Monday morning stood at 6227.82 with 31 CSF of water leaving the gates in town. Precipitation for the week was negligible. Snow on the ground in town measures 26 inches. Hottest day of the past week was on the 12th with 56 and coldest was on the 10th with 21 degrees.

### Mrs. Simmonds Honored At Tahoe Birthday Party

TAHOE CITY— Monday afternoon last a group of friends paid an unexpected visit to the home of Mrs. Ida Simmonds, who on that day observed a birthday. For the past 18 years her friends have never forgotten her natal day and as usual gathered to wish her many happy years ahead. Bridge was enjoyed and a cake was baked by Mrs. Ida Martin and brought along, as well as some lovely gifts and flowers.

Those who enjoyed the afternoon included Mrs. Norman Mayfield, Mrs. A. M. Henry, Mrs. A. M. Anderson, Mrs. Harry Johanson, Mrs. Ruth Ables, Mrs. Stella Watson, Mrs. Evelyn Bliss, Mrs. Martin and the honoree and her husband, W. A. Simmonds.

Lodge returned home last week from a grand and glorious motor vacation tour which carried them over thousands of miles and through numerous states. For the past three weeks they enjoyed visiting with Mrs. Callender's parents, Mr. and Mrs. P. W. Bussman of Santa Rosa, while waiting for the snowstorms to cease at the lake. Son Billie is attending University of California at Berkeley where he has been accepted by Pi Kappa Alpha fraternity. He is majoring in engineering.

Mrs. George Tiffie of Tahoe City is again teaching at the school at Norden. She returns to her husband and daughter Blodwyn for weekend visits.

Mr. and Mrs. Henry Kaiser and entourage were weekend visitors at their estate in Tahoe Pines last week.

### TAHOE LETTER To The Servicemen

From SWANEE

Tahoe City, California.  
April 14th

Dear Tahoeites:

It's Sunday night again and time for our weekly roundup of what news there is—which isn't much as yet. The day was beautiful, like yesterday, with our first real touch of spring, warm and sunny and glorious, and these nights, bright with silver moonlight, are a joy to behold. Snow banks still remain high out our way, although in town green grass is beginning to show and robins can be sighted in greater numbers daily. While plenty of snow still remains south of town, it is soft and mushy, and continued mild-temperated weather should drop it quickly. One can run a foot clear to the bottom of a five foot bank with ease, which should indicate its vanishing qualities. With a bit of good luck it won't be long now until the first spring flowers start showing their brightly colored

blooms—and for us winter-weary Tahoeites, it can't come too soon.

Tahoe in the spring always reminds me of some great hibernating beast, content to sleep peacefully through the windswept, long, snowy winter but with the passing of the storms and snow and the promise of another glorious spring, all at once it springs to life and the winter lethargy is completely forgotten. Traffic races over our highways once again, cars and trailers and trucks loaded to capacity begin rolling in, storm shutters disappear from windows and paths appear as if by magic to numberless doorways. The summer populace begins arriving and the entire region teems with activity, preparing for the feverish tourist season, which this year should break all previous records if pronosticators are correct in their assumptions. Resorts, booked months in advance, will find facilities filled to capacity and Tahoe will once more resemble the good old days when the vacation populace swarmed like ants round and about our inviting shores.

When, and if, building restrictions are lifted and lumber and construction materials are made available, the lake region will witness a building boom surpassing by far the most optimistic dreams of our greatest visionaries and Tahoe, for a while at least, will come into her own.

Chief topic of the day at this writing seems to be "How's your vaccination? Did it take?" There are plenty of sore arms among the populace, lots of whom took advantage of the smallpox inoculation on Wednesday, April 10th, in the auditorium of Tahoe Lake School. Dr. Clinton of Weimar was the doctor in attendance with her staff and cooperation of Tahoeites was almost 100 per cent. The doctor returns on Monday to check her work and learn whether there are any for whom the serum failed to "take". I'll be right in line, as I'm afraid mine isn't "acting up" like most of the others. Just my luck!

Daughter Marie and I also took advantage of the free chest x-ray service held in Truckee on Friday at the firehouse. We and about 100 other Tahoeites failed to receive this service when the unit visited at Tahoe, as it rained that night and they decided we wouldn't come out in the rain, so they closed up shop.

On Saturday one of Tahoe's favorite sons returned home for good. He was T5 Dick Carnell, son of the Floyd Carnells, just back from service of more than a year in Austria where he put thousands of miles on his trusty little jeep while piling up long hours in the message center. His exceptional ability to find his way around in strange country and his bravery in the dispatch of his duties, at one time while on an especially hazardous mission in the battle zone, won for him an award of the Bronze Star and a citation from his commanding officer. Dick looks grand, seems to have grown a foot and has broadened out into manhood, although his dad reports that he lost 15 pounds since leaving Austria for America. Have an idea his mom won't lose any time in piling it right back on, though. Dick said last night at the ski meeting that Tahoe looked much more wonderful to him than he had ever dreamed. We welcome you home, Dick, and pray that foot infection will be fully under control in the very near future.

Learned yesterday that Mrs. Sibyl Yeakel, my old friend of many years standing, will return to her Tahoe home in Lake Forest some time next week and her son, Rodney, who has been visiting in Washington state, will summer here with her.

It will seem like old home week Jimmie Easton, Dick, Pete Vanni, Bill this season with Rod, Charles and Oliver Henrikson, Walter Mandeville, Bechdolt, Ray, Sherwood and Donnie Prusso, Al Henry, Jim Frazier, Doug Smith, Robert Pomin, the rest of the boys from the north end of the lake, Edna Wheat and Kathleen Starratt all back in the fold once more and able to enjoy some chinfests in their leisure. All were schoolmates at one time or another and have followed each other's fortunes throughout the war. Others who served from the

### TAHOE BRIEFS

Ducks Unlimited drew a large crowd of Tahoe residents to its meeting in Reno Saturday night. Among those who attended from the lake were Mr. and Mrs. A. M. Henry, Mr. and Mrs. Norman Mayfield, Ray and Sherwood Prusso, Jim Wilson, Charles Swanson, Mr. and Mrs. Carl Bechdolt Jr., Mr. and Mrs. Stanley Martin, Mr. and Mrs. Bill LaMarr, Mr. and Mrs. Allan Pollitt, Mr. and Mrs. E. H. Pomin, Albert Boge and Nellie Woolley.

The famous old log cabin belonging lake region are out and in civvies again but so far have not returned to Tahoe.

In gleaning through my book I find many from this area still in service and likely to remain in for months and even years to come. These include F. O. Robert Wathen, Donnie Cowell, Curt and Lee Stoddard, Tom Adams, Monett Hamilton, Bob Sayre, Bob Fox, Carol Droste with the Red Cross overseas, Dave Renner Bienert now in China, Joe White now in Alaska, Dick Hankle skimming o'er the seven seas to strange ports as a Marine, Blake Goss last reported in North Carolina, and my son, Jimmie Baker with the 59th Weather Wing at Weisbaden, Germany.

Had such a nice letter from Jim shortly after his arrival at his new post. He wrote in the luxurious Red Cross building, which he described as not only most beautiful but breath-taking said his buddy and he had a private room containing a stove and boasting an abundance of hot water and the scenery of the region was the grandest he had yet seen in his travels. Said it couldn't be improved on, which is something for the army.

The boys have the musical offerings of a four piece orchestra with their meals daily, and officers are treating them like long lost brothers, which is also more or less of a novelty. He was looking forward to a free weekend with invitations to look over the town some four miles away. Leon Dockham of the Tahoe Fish Hatchery permitted me to read his letter received last week from Jim in which he told of a bang up party the air corps gave for all of them at their diggings. From his recital, it was a grand and glorious affair. He was to be processed and assigned on the following Monday so now I await this last formality with interest. From all indications son Jimmie is hugely enjoying his experiences and is looking forward to his coming months of service as the most thrilling chapters in his life.

Also received a letter from daughter Phyllis, now Mrs. Charles Hall of Mt. Vernon, Ill., who reads every line of the Sierra Sun each week to her family and enjoys it thoroughly. They had just entertained her husband's relatives, ten in number, who came over from Troy for the day. Although it rained and hailed and was generally unpleasant, there was plenty to eat and the visit was a huge success.

Mrs. Annie Soll and I paid a visit to the Truckee-Tahoe Lumber Company's new store in town this afternoon and found it an exciting experience as the shelves groaned with the most beautiful dinner ware, kitchen ware and novelties of all description. Understand they are holding open house next Sunday, April 21, and everyone is invited in by Mr. and Mrs. Charles Cross to look their stock over, even though no purchases can be made until the following day.

Am finishing this on Monday morning and a more beautiful day has never been seen. Everyone is pleased as punch at the turn the weather has finally taken and are praying for its unbroken continuance.

Leave you for another week and trust that the blessed bells of the coming Easter Sunday will scatter all your troubles and worries to the four winds, and that peace and contentment will take their place in the promising season that lies ahead. Happy Easter all, and my God be with you always, As Ever, SWANEE

to Carl Bechdolt Sr. at the rear of Tahoe Inn, former favorite night spot, is being torn down and will be moved to the north end of Tahoe where it will be reconstructed as a new resort. Robert Munson of Reno is the new owner and plans such improvements as the law will permit.

Mr. and Mrs. William Bechdolt are now engaged in preparing their remodeled four room house for occupancy in the very near future. It is situated at the rear of Tahoe Inn beside the golf links. Their furniture, which includes a brand new refrigerator, stands in readiness, and Bernie is lending a hand with the painting herself to hasten the day of their housewarming.

Mrs. Floyd Carnell on Friday night

### NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

April 11, 1946  
To Whom It May Concern:  
Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

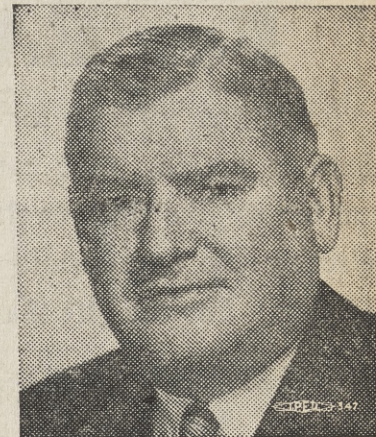

Hwy. 89, Tahoe City, Placer County. Pursuant to such intention the undersigned is applying to the State Board of Equalization for issuance by transfer/on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer and Wine  
Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for sale of alcoholic beverages.

CARL A. BECHDOLT, Owner.

last hosted a dinner party, preceded by cocktails, at the Carnell home in town honoring her husband who observed another birthday. Guests who enjoyed the delightful repast and evening of pinocle were Mr. and Mrs. A. M. Henry, Mr. and Mrs. Carl Bechdolt Jr., Mr. and Mrs. Charles Swanson and Howard Carnell.

## NEVADA COUNTY GETS SHARE OF CANDIDATES FEES

SACRAMENTO, April 18 —(UP)— Secretary of State Frank M. Jordan today announced 392 candidates filed for the June 4 California primaries, contributing a total of \$39,660 to be distributed throughout the counties of

the state. Of the 392 candidates who paid the filing fees, 37 failed to qualify, Jordan said. Twenty of them did not file papers with their fees and 17 had insufficient signatures on their petitions. Of the \$39,660, Nevada county received \$268.88.

## OPA RULES FORCE BLACK MARKET IN LUMBER IN STATE

SACRAMENTO, April 18 —(UP)— Kenneth Walker, member of the state forestry board from Westwood, told a recent meeting of the board that California lumber mills are being forced into the black market "because they can't make an honest dollar." Walker urged higher price ceilings as a step toward alleviating current building material shortages.

The State Motor Vehicle Department expects to register 300,000 new cars this year.

## MY PLACE in the SUN

by DOUG BARRETT

Under the leadership of the incoming commander, Daryl Gaiennie, the American Legion this week appointed an amicus committee to revive interest in competitive sports — aside from skiing — in Truckee. Under discussion, with generally favorable comment prevailing, are improvement of the baseball diamond southwest of town, the organization of a town ball team, promotion of a boxing club among the younger men and boys and organization of a gun club with an indoor range. All these things the Legion will sincerely try to accomplish. They cannot, however, do so without outside cooperation and assistance. The success of the athletic program depends largely on a community interest in its aims to promote sportsmanship and competition. Outside their own organization, the vets are especially anxious to interest the high school aged boys in their program. The Legion stands ready and willing to shoulder the major portion of the responsibility but they do want and need all the help they can get.

Street Scenes: a lot of the late skiers sporting shiny red kissers... Moke Kiehofer without his samples... C. Alex Clement in town and still selling spuds... Larry Owens surveying the work on his building... Duke Mathis overhauling his Packard... "Butch" Bottcher and the spring flowers coming out together... it doesn't belong here, but my daughter crawled for the first time this week — backward... Father Tony Dosch keeping busy dividing his time between the local church and the cathedral in Sacramento... Art Breenan and Bill Wakefield, in full beard for the Days of Gold celebration in Auburn... the law, in the persons of Tom Dolley and Fletch Waters, looking mighty grim in pursuit of a purse snatcher... Azad Joseph looking pretty sharp in uniform and out... Spring is sprung and I'd rather be outside than writing this.

Both Truckee churches will hold special Easter services on Sunday and there is no need for me to say that you should all make an effort to attend one or the other if it is at all possible.

The U. S. per capita debt is \$1,935. The average debt per family is \$3,127. San Francisco is required by its charter to conduct its business on a cash basis and to balance its budget annually.

## NOTICE TO VOTERS

All persons voting at the Primary Election to be held Tuesday, June 4, 1946, must be a registered voter on or before April 25th, 1946, the last day to register.

Any voter who voted at either the Primary or General Election in 1944 need not register unless they have changed their residence to another voting precinct.

Registration deputies in Grass Valley are as follows:

J. A. BENNETT	L. R. JEFFORD
HOWARD C. BENNETT	RICHARD HOSKINS
ALVAH HOOPER	WAYNE BROWN

In Nevada City voters can register at the Nevada County Courthouse or with  
ELTON TOBIASSEN WARD SHELDON  
FRANK G. FINNEGAN

Registration deputies in Truckee are as follows  
W. M. BARRETT HAZEL L. LEWIS

R. N. McCORMACK, County Clerk

### 30 MILLION YEARS OF WEATHER DATA IS SEEN IN GRAVEL PIT

SACRAMENTO, April 18 —(UP)—Engineers of the state division of highways commended for attention of both travelers and scientists a thirty million year old "weather map" along U. S. Highway 40 about 60 miles east of Sacramento.

The weather map is the built up gravel bed of a prehistoric stream that flowed past Gold Run. It was uncovered in making a cut for a relocation of the highway.

The cut shows rainfall in that period through the varying thickness of gravel deposits made each year.

According to G. B. Ashcroft, senior structural engineer for the division, the weather apparently wasn't very different then than now. The cut shows a succession of layers of diminishing coarseness, indicating decreasing rainfall, followed by a series of layers that gradually grow thicker. Recent charts of annual rainfall show similar sequences.

### PEACETIME VICTORIES OF U. S. ARMY

In peace as well as in war the United States Army has a brilliant record of achievement. Its glory, won on 100 battlefields in all parts of the world, is matched by peacetime triumphs no less important in the history of mankind and the progress of civilization. These are some of its accomplishments:

Built and operated early American railroads.

Conducted the Lewis and Clarke expedition to open up the great Northwest.

Erected the imposing Washington Monument and the wings and dome of the National Capitol.

Discovered the cause of yellow fever through the heroic efforts of Maj. Walter Reed and provided a remedy for the disease.

Dug the Panama Canal. Army Engineers succeeded after repeated failures by the French Government.

Army Chemical Warfare Service developed the gas mask now in general use to protect firemen, miners and chemical workers.

Army Signal Corps contacted the moon by radar.

Army Engineers led all other agencies in flood prevention through building locks, dams, levees and sea walls.

Gases and flame throwers have peacetime uses to exterminate locusts, the boll weevil and other insect pests.

Demonstrated first successful radio communication between airplanes and ground stations.

Developed radio beacon and afforded its free use to commercial manufacturers.

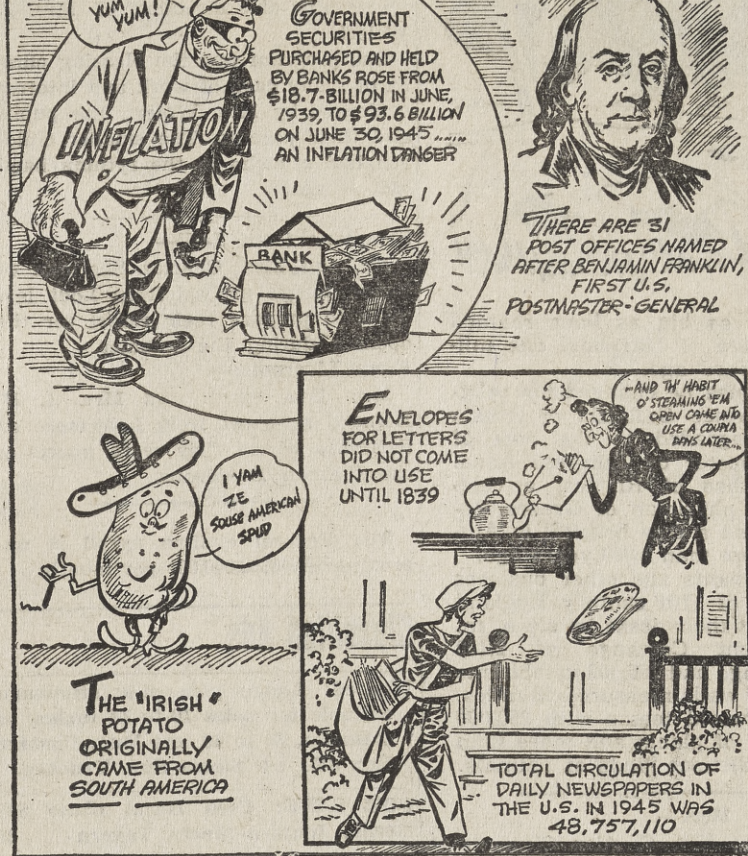

Pioneered airplane apparatus with which to spray fields and orchards.

Initiated most accurate methods now employed in geodetic, topographic and hydrographic surveys.

Army fliers have protected and saved the lives of thousands of citizens stranded on inaccessible mountains, marooned on ice-bound boats or trapped by blizzards.

The U. S., owning 387 million acres, is, next to Russia, the world's greatest landlord.

### THE ROCKETBOOK OF KNOWLEDGE

### Rural Nevada County Will Spend Much for Plumbing

Expenditures totaling more than \$500,000 will be made in the next few years by home owners on farms and in small communities of Nevada County to improve present electric service and home plumbing.

These outlays will mean additional income to practically every local business and will finance additional wiring, bathroom improvements and new electrical equipment for the county's 3,763 farm and rural homes already served with electricity, according to a study released by the Tile Council of America.

Introduction of running water, installation of tiled bathrooms and replacement of out-moded plumbing fixtures head the list of most wanted farm home features, D. P. Forst, chairman of the council's residential construction committee, revealed. One in five farm families throughout the nation plan bathroom improvements, he said.

Additional wiring is needed in practically every rural home with electricity.

Expenditures in the county are part of a \$152,246,000 program to be undertaken by California farm and rural home owners in the next five years, the study revealed. An estimated \$2,294,900,000 on similar improvements to present electric service will be spent in the nation during that time.

### Supreme Court Throws Crooked Cards Case Out

SACRAMENTO, April 18 —(UP)—If P. T. Barnum's minority—that one who is born every minute—gets hooked playing with marked cards, that's one thing. But if he goes to the state supreme court to get his money back, that is another. The supreme court isn't interested.

Raymond Wallace of Eureka sued Harry D. Opinkham for money he allegedly lost from 1942 to 1944 in blackjack games where he claims marked cards were used.

At the time Superior Judge Felos A. Mace of Humboldt county sustained a demurrer filed by Opinkham without leave to amend. The district court of appeals affirmed this judgment.

Then Wallace asked the supreme court for a hearing. The court this week denied his request—without comment.

REPUBLICAN LEADER Carroll Reece, for 26 years a congressman and winner of many decorations in World War I, is the new chairman of the Republican National Committee. Resident of Johnson City, Tenn., Reece, 56 years old, is married, has one daughter. He won the Distinguished Service Cross, Distinguished Service Medal, Purple Heart and the Croix de Guerre with palm in service with the AEF's 26th (Yankee) Division. He was elected to succeed Herbert Brownell, Jr., New York, resigned.

### Lightning Reveals Oldest Church Organ In State

MARYSVILLE, April 18 —(UP)—It took a bolt of lightning to reveal what is believed to be California's oldest pipe organ, which is in St. Joseph's Catholic Church in Marysville.

During a rare electrical storm last January, lightning struck the 200-foot church steeple, and the resulting blaze and firefighting damaged the organ.

Repairmen brought from San Francisco to restore it discovered a name plate fixing the year of manufacture as 1816.

The University of California at Berkeley has a present enrollment of over 17,000 students.

### JUDGE SMITH SENDS COURT FEES INTO COUNTY TREASURER

C. E. Smith, justice of the peace here, paid in \$458 to the county treasury last month. School apportionments of \$20,895.80 was the largest single receipt, according to Treasurer Elma Hecker. Also among the receipts of the month was \$1,255 in filing fees from candidates in the June primary.

Total payins to the county treasury totaled \$74,018.37 and warrants paid out came to \$102,586.39.

Dated April 16, 1946  
LLOYD SHELTON, Vendor.

## IT'S TRUE

By Theodore Maisch

Cats as big as lions roamed the state of Maryland one million years ago.  
Because he changed his religion, Prince Galiczin of Russia was degraded to the post of court jester by Empress Anna. Pheidias of Rhodes, a celebrated physician of Greece, established a free hospital in Athens more than 2,000 years ago.  
Merchants and other business people of 17th century England were at their desks by six a. m. Ancient Carthage of 2,100 years ago had 700,000 inhabitants and its walls measured 23 miles. The world teems with 250,000 species of plants and more than 30,000 distinct kinds of animals.

**Clements Here—**  
Mr. and Mrs. C. Alex Clements of Stockton were visiting friends here this week. Clements is former manager of Bank of America in Truckee and is now in the wholesale produce business in Stockton. Their son returned this month from overseas service.

## Audience Lauds Pupils For School Operetta

The audience at the Truckee Grammar School Friday night thoroughly enjoyed the operetta "Out of the Sea" presented by the pupils of the school under the able direction of Mrs. J. Wolert.  
The program was the pleasing climax of many days of work and interest evidenced by Mrs. Wolert, the pupils and their parents. The smaller children had a niche in the rhythm band and program.

**Shermans from Lodi—**  
Mr. and Mrs. Charles Sherman of Tahoe Lodge arrived from Lodi last week to prepare their resort for the opening during the summer.  
**From Livermore—**  
Mrs. Dan Smith and Mrs. J. H. Bernard returned from Livermore on Saturday where they were guests of the Warren Davidsons.

The Federal civilian payroll is approximately \$650,000,000 per month.
